1 The tenders should be submitted on the basis of the individual rates, that is, rates to be quoted for individual items of works as detailed in the estimates and such rates should hold good till the completion of the works. For non-tendered items of works, rates as per current schedule of rates will be allowed. Rates should be noted both in words and figures, failing which the tender will be rejected.

2 The tender in the prescribed form obtainable from the office of the undersigned should be addressed to the Executive Engineer, Kolar Division, Kolar, in a sealed cover superscribed as above and the name of the tenderer should be noted on the cover.

3 Each tender must be accompanied by a duplicate challan for having credited the earnest money deposit noted above for each of the works under Revenue deposit.

4 The final acceptance of the tender rests with the Superintending Engineer, Bangalore Circle, Bangalore, who does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection of any. In all matters of dispute regarding rates, etc., the decision of the Superintending Engineer, Bangalore Circle, Bangalore, will be final. The approved tenderer should bind himself to abide by the departmental rules in force and execute the mutchalika on the receipt of information of acceptance of his tender failing which the earnest money deposit will be forfeited.

5 The estimated quantity and the plan and the contract agreement for defining the conditions on the tender, etc., can be seen in the office of the undersigned on working days between office hours.

6 The contractor will, as far as practicable recruit the personnel required by him through the nearest employment exchange in the region.

7 The tender should be accompanied with clearance certificate of sales-tax, income-tax; otherwise the tender will be rejected.

8 Earnest money deposit will be refunded to the unsuccessful tenderer only after two months.
